Forecast For East of England
Issued by Met Office Exeter
at 1600 on Wednesday 28 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers easing to leave a largely dry night. Breezy.

This Evening and Tonight:
Any showers should tend to ease into the evening to leave a largely dry night, with some clear spells developing. It will be a rather breezy night for many. Minimum temperature 12 deg C (54 deg F).

Thursday:
A largely dry and bright start, with sunny spells for many. The risk of the odd light shower breaking out in the afternoon and evening. Rather breezy for most. Maximum temperature 23 deg C (73 deg F).

Outlook for Friday to Sunday:
Rather changeable with a spell of heavy rain moving eastwards on Friday, followed by sunshine and showers for the weekend. The showers will be heavy and possibly thundery at times.
